

## CALL FOR PARTICIPANTS EUROPEAN YOUTH EXCHANGE - ERASMUS +

« **CONSUM'ACTOR - Thought for food !** »

29th AUGUST to 19th SEPTEMBRE 2016  
SAACY-SUR-MARNE, FRANCE

### CONTEXT

Vir'Volt association has developed for many years **collective and participative projects** which gather young people from different countries living and working with local communities. **Consumption** is at the heart of our **daily life and actions** : cooking, cleaning, building.... And the way we consume has strong impacts on many levels.

Through all our activities, especially the ones related to food, we wish to **raise awareness** and **promote** more responsible ways of living among participants and local communities. So if you are interested by environmental issues and wondering how to raise awareness about it, then this project is made for you!! Besides it is also an opportunity to share with other people your ideas and to discover new ones.

### PROJECT AIMS

- Promote **eco-citizenship** and **eco-practices** through collective exchanges and actions
- develop **intercultural learning** among young Europeans as well as sense of responsibility and cooperation
- Create **interaction and exchanges** with local inhabitants and associations

**3 groups coming from FINLAND, GERMANY and SPAIN will gather with a local French group** composed of local volunteers and local young people.

You will meet local partners and you will take part to workshops about various eco-practices. You will also organise some events to raise awareness among local communities. Workshops and collective life will be lead by 2 or 3 leaders from Vir'Volt.

### PRACTICAL INFORMATION

**Who ?** **4 participants** per country aged between 18 and 30 years + **1 "leader"**.

Participants must be **VOLUNTEERS** and they have to be **INTERESTED** in the topic but they don't need any special skills.

**When ?** The exchange will take place from **August 29th to September 19th**.

**NB:** the preliminary visit for the leaders will take place between 2nd and 5th of August 2016

**Where?** In Saacy-sur-Marne (Seine et Marne, 65 km from Paris), but this is not a tourism project in Paris!

**Costs:** All project related costs covered + travel costs = 170€ for participants from Spain and Germany and 270 € for participants from Finland
